There will be a huge amount of wood shop tools, both power and hand tools. The truck, camper and fishing boat are in very nice condition and always stored under cover. Jim had a large model train lay-out in the basement and it will be sold as one unit, all trains, buildings, parts and misc. for one bid.

Be sure to make plans to be on White Creek Ave. on the afternoon of June 4th at 2:00PM for the start of this nice Public Auction.

Due to advancing age and continuing health issues, we have decided to sell our shop, truck, tractor, outdoor items and model trains at Live Public Auction.

We would like to take this opportunity to invite you to our Thursday afternoon Auction and thank you in advance for attending.

Very best regards,
